

Experience Letter

Date: 10-05-2022

Dear **Kondapalli Srinu (HO211205)**,

This is to certify that **Mr. Kondapalli Srinu** was employed at **Hecho Technologies Pvt Ltd** as a **Developer** from **13-12-2021** to **10-05-2022**.

During his tenure with us, Mr. Srinu demonstrated exceptional technical skills and a deep understanding of software development processes. He was involved in various projects and played a key role in developing and implementing solutions. His responsibilities included, but were not limited to, coding, debugging, testing, and collaborating with cross-functional teams to deliver high-quality software products.

Mr. Srinu's approach to problem-solving and his ability to work under pressure were commendable. He consistently met deadlines and maintained a positive attitude towards learning new technologies and adapting to project requirements.

We found Mr. Srinu to be a dedicated, reliable, and hardworking individual with excellent interpersonal and communication skills. He was a valuable asset to our team, and we appreciate his contributions to the organization.

We wish him all the success in his future endeavors. He is eligible for rehire, and we would gladly recommend him for any role that suits his qualifications and expertise.

For any further information, please feel free to contact us.

Yours sincerely,
For and on behalf of **Hecho Technologies**,
Eakanth Chinnappan,
Director,
